4-star lodge on Bamburi Beach. Too far to comfortably walk with luggage — best for delegates using a tuktuk or matatu daily, or as an overflow option once closer hotels fill up.

Getting to the Conference Each Day

Walk

Delegates staying at Kilua, Mombasa Continental, Pridelnn Paradise, Royal Shaza and other hotels along Serena Road can walk straight to Pridelnn Flamingo — all within 3–12 minutes on foot.

Tuktuk

Tuktuks operate throughout Shanzu — a quick, inexpensive option for delegates who prefer not to walk, are carrying luggage, or are staying slightly further out.

Matatu

Matatus run along the main Malindi/Serena Road route — the most practical option for delegates staying further away, such as those at Severin Sea Lodge on Bamburi Beach.

Delegates should confirm exact walking routes and current tuktuk/matatu fares with hotel front desks, as these change day to day.

An aerial photograph of a resort complex, likely the Pridelnn Flamingo Beach Resort & Spa. The image shows several large swimming pools, a children's play area with slides and water features, and numerous palm trees. In the background, there are multi-story resort buildings. The entire image is overlaid with a semi-transparent blue filter.
