Getting to the Conference Each Day

- Delegates staying at Kilua, Mombasa Continental, Pridelnn Paradise, Serena Beach, and other hotels along Serena Road can walk straight to Pridelnn Flamingo Beach Resort & Spa — all are within 3–12 minutes on foot.
- Tuktuks operate throughout Shanzu and are a quick, inexpensive option for delegates who prefer not to walk, are carrying luggage, or are staying slightly further out (e.g. Serena Beach Resort).
- Matatus run along the main Malindi/Serena Road route and are the most practical option for delegates staying further away, such as those at Severin Sea Lodge on Bamburi Beach.
- Delegates should confirm exact walking routes and current tuktuk/matatu fares with hotel front desks, as these change day to day.
